INNOVATIVE IMAGING SOLUTIONS

CopiBook

Color & Grey Scale book scanners for A2 landscape bound works

Providing the best compromise between resolution, scanning speed, image quality and price, CopiBook is the ideal A2 scanning station.

Able to operate under office lighting environment (no embedded lighting) all models of the CopiBook range are free from Ultraviolet & Infrared emissions, which ensures preservation of fragile and rare materials and optimizes operator's comfort.

Consisting in a full compact stand-alone scanning station, each model provides various user-friendly settings (automatic format detection, resolution, focus, exposure time, lighting correction, white balance) as well as innovative automatic capture modes (no mouse click, no pedal) and powerful embedded image enhancement algorithms.

The CopiBook range of scanners is a proven, mature technology providing a most user-friendly and innovative digitization tool for both professional and non-experimented operators.

CopiBook BW/L

- Camera head: 35 Mpixels
- Maximum scanning format: 2 x DIN A3 (ANSI C)
- Optical resolution: 300 pixels per inch
- Auto-focus
- 2 x A3 scanning time: 2.5 sec

- Real time preview
- 256 levels of grey
- Formats supported: TIFF, TIFF G4, JPEG, BMP

- Manual book cradle: 10 cm / 10 kg (3.9" / 22 lbs.)
- Manual removable glass

CopiBook BW+

Same features as the CopiBook BW/L model with:

- Book cradle: 10 cm / 10 kg (with motorized up & down motions)
- Self-opening embedded glass (with very safe pressure adjustment) allowing 90° parking position when scanning without glass

CopiBook RGB/L

- Camera head: 3 x 35 Mpixels
- Maximum scanning format: 2 x DIN A3 (ANSI C)
- Optical resolution: 300 pixels per inch
- Auto-focus
- 2 x A3 — 300 ppi — scanning time:
RGB: 6 sec or Grey scale: 2.5 sec
- Real time preview in grey scale
- 36/24 bits
- Formats supported: TIFF, TIFF G4, JPEG, BMP

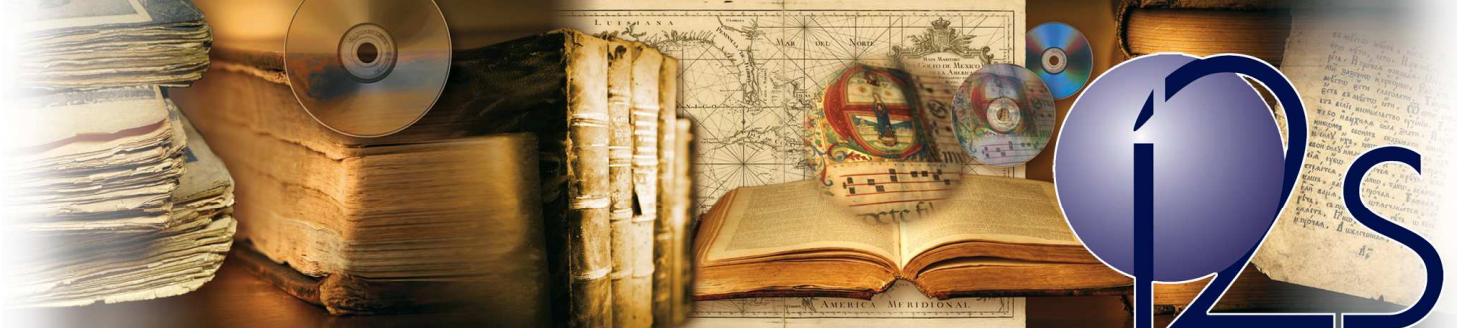

- Manual book cradle: 10 cm / 10 kg (3.9" / 22 lbs.)
- Manual removable glass

CopiBook RGB+

Same features as the CopiBook RGB/L model with:

- Book cradle: 10 cm / 10 kg (with motorized up & down motions)
- Self-opening embedded glass (with very safe pressure adjustment) allowing 90° parking position when scanning without glass

INNOVATIVE IMAGING SOLUTIONS

CopiBook

Color & Grey Scale book scanners for A2 landscape bound works

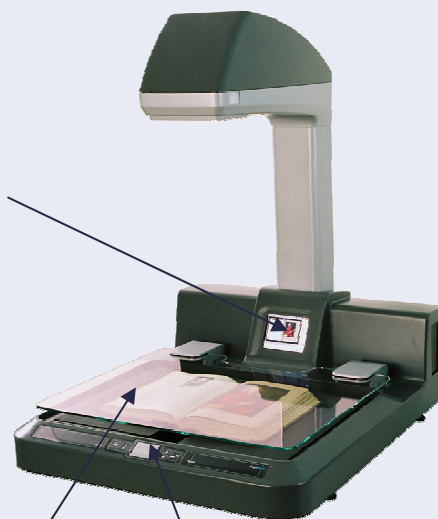

COMMON TECHNICAL FEATURES

- Stand-alone scanning station
- First true UV & IR free scanner
 - ◆ No embedded lighting
 - ◆ Working conditions: office lighting environment
- Fully automatic settings
 - ◆ Format / resolution / focus / exposure time
 - ◆ Lighting correction
- Includes image enhancement features: Deskew, thresholding, finger masking, curvature correction...
- Multi automatic capture modes
- Front control panel: touchpad + function keys
- VGA output for external display
- 2 USB 2.0 ports: printing, image saving, ...
- High speed image transfer via Giga-Ethernet output (FTP + Microsoft Network)
- Remote control mode via drivers: Twain & API

Self opening embedded glass
(only with CopiBook BW+ and RGB+ models)

Color monitor

Touchpad + function keys

DIMENSIONS in mm 810 (W) x 990 (D) x 1100 (H)
in inches 32 (W) x 40 (D) x 44 (H)
WEIGHT 70 kg / 155 lbs.
ELECTRICAL POWER 220V - 50 Hz, 110V - 60 Hz, 300 VA max

CE / FCC part 15 CONFORMITY
Low voltage electrical safety EN60950
RADIOELECTRICAL DISTURBANCES
EN55022, EN61000-3-2, EN61000-3-3
ELECTROMAGNETIC IMMUNITY EN55024

OPTIONS *(For more information, consult the Accessories & Software documentation)*

ACCESSORIES

- Lamps
- Special keyboard for faster operations
- Footswitch
- Screen bracket

SOFTWARES

- Book Restorer™
Image Processing Software
- PDF4Books
Batch Image Compression Software
